

All Aboard!

Thank you for choosing a Field Trip at the Sioux City Railroad Museum!

To make your visit the best experience possible please adhere to the following expectations:

Railroad Time:

Railroads set the standard for keeping to a schedule! We understand that things happen. If you are running late, please call us at 712-233-6996 and let us know. Delays of 20 minutes or more may result in a shortened tour.

Arrivals & Visit:

Plan on arriving 15 minutes prior to the scheduled start time of your visit. This will allow for you to check-in at the museum and use the restrooms prior to your program start time.

After meeting your guides the children and chaperones will be divided into groups and sent off with them.

Field trips spend between 1 ½ and 2 hours at the Museum.

Lunches/Snacks:

The museum has an outdoor picnic area for visiting groups to use for lunches or snack. Please let the museum know ahead of time if you wish to use this.

Museum Manners:

As our guests at the museum, we ask all visitors to follow a few common sense rules:

- Be respectful of the rail cars, exhibits and objects
- Listen to your tour guide
- Please show other visitors consideration.
- Keep your cell phone on silent mode during program.
- School groups are asked to refrain from taking gum, or candy onto the grounds. Covered water bottles are encouraged.

Your attendance at this program grants permission to the Sioux City Railroad Museum to use photographs of your class participating in museum programs for archival, promotional, or marketing purposes without permission.

The Sioux City Railroad Museum is a semi-active railyard. The motor car and grand scale trains may be in operation. Please be aware of your surroundings at all times:
